

**NIGERIA**

## **CUSTOMS REGULATIONS AND INFORMATION FOR IMPORTS**

### **HOUSEHOLD GOODS AND PERSONAL EFFECTS**

#### **Documents Required**

- Original International Passport
- Original Resident Permit (Cerpac Receipt or Green Card)
- Original Packing list in English
- Original Bill of Lading (OBL) / Telex Release / Air Waybill (AWB)
- Detailed and valued inventory list in English
- Certificate of Transfer / Letter of Employment
- Certificate of Fumigation (if the cargo contains wooden crates)
- Original Nigerian International E-Passport obtained in origin country prior to departure (returning citizens) non-electronic Passports are not accepted)
- Diplomatic Passport (Diplomats)
- Certificate of Fumigation, if applicable
- Form CC1 (approved by the Ministry of Foreign Affairs and Customs Headquarters in Abuja if meant for use by an Embassy)
- Letters of Authority (see Specific Information)

#### **Specific Information**

- The shipper must be present for Customs clearance.
- The OBL must be endorsed by the shipper "delivered to" and signed.
- If using a sea waybill or non-negotiable copy or Telex Release, please ensure you provide a copy of the telex release message from the shipping line, otherwise there is a high probability of issues to release from the shipping line
- The Nigerian International E-Passport must be obtained in the origin country prior to departure as non-electronic Passports are not accepted (returning citizens).
- Whether using an OBL or AWB, ensure it is properly consigned per the agent's instructions and that the original is issued by the shipping line itself.
- OBLs are required for all diplomatic shipments.
- Containers with house OBLs from an NVOCC / Consolidator / Forwarder will not be released.
- Returning Nigerian residents must have continuously lived abroad for at least 9 months and not visited Nigeria for more than 90 days within the previous 2 years of re-entry; otherwise, the shipment will be deemed a commercial import and will be subject to inspection and duties. Customs will check the Entry and Exit Stamps on the Passport to calculate the applicable time periods.
- Customs clearance can begin up to 28 days from the discharge of the container.
- Wood packing materials in shipment containers must comply with ISPM-15 rules and guidelines and all crates must be stamped ISPM15.
- Crates and liftvans in wood are subject to an additional cost of 120 USD per 20' container and 180 USD per 40' container. Failure to stamp the crates will result in an additional cost of 250 USD per 20' container and 500 USD per 40' container.
- Storage and demurrage charges are generally charged on all household goods and personal effects shipments. Amounts range from at least USD 400-1,500 for demurrage and storage per container.
- The average clearance time for a sea shipment is approximately 3 weeks, dependent on issues of manifest transmission, access to the container, Customs assessment of the contents or qualification of the shipper to import the shipment.
